PERSONAL SKILLS

Foreign languages

- English - intermediate level
- Romanian - fluently

Communication skills

- During my university studies and the completion of dual training, as well as due to continuous contact with clients, I managed to improve my verbal and written communication skills. I use these skills in my current position too, I constantly give presentations to the contracted persons and inform them about current changes.

Digital skills

- Office programs
- Basic knowledge of Photoshop
- Basic knowledge of AutoCAD

Driving License

- Category B
